COMFORT, STYLE AND EASY OPERATION

There's a lot to like about Z122R. From the comfortable ergonomic design to its style and convenience, this attractive, hardworking mower is designed to make mowing as easy as possible.

STANDARD ROPS

For safety and peace of mind, Z122R mower is equipped with a full-height ROPS.

SMOOTH OPERATION LEVERS

Dual operation levers provide the smooth, precise control you'll need for delicate trimming and work around trees and flowerbeds. For better comfort, the levers are also adjustable in height.

STORAGE BOXES

For your tools, drink, and anything else too big or heavy for your pockets.

4" SLIDE SEAT

The seat slides a full 4" forward and back, letting you find just the right position for maximum personal comfort.

COMFORT / CONVENIENCE / STYLE

HIGH BACK SEAT

Soft and roomy, the high back seat will keep you comfortable even on those extra-long mowing jobs.

WIDE FOOT PAN

There's plenty of legroom up front, thanks to a wide foot pan. This also allows for easy access on and off the machine.

CUP HOLDER

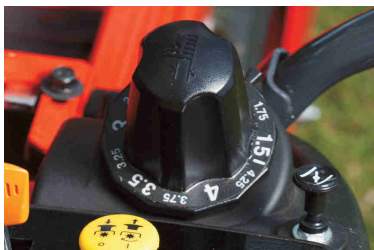

Keep your drink handy in the integrated cup holder.

EASY OPERATION

1/4" INCREMENT CUTTING HEIGHT ADJUSTMENT

A simple twist of a dial lets you adjust the cutting height in precise 1/4" increments.

ERGONOMIC CONTROL LAYOUT

All controls are neatly placed for quick, easy, user-friendly access.

MAINTENANCE

NO GREASE UP POINTS

Removal of grease ports means simpler maintenance and increased user-friendliness.

EASY ENGINE MAINTENANCE

Easy access to engine oil and filter without having to remove a cover.

WASH PORT

Just connect your hosepipe to wash off wet grass.

WHEN PERFORMANCE COUNTS...

The powerful engine, rugged transmission and strong frame of the Z122R, let you take on the toughest of jobs with confidence and ease.

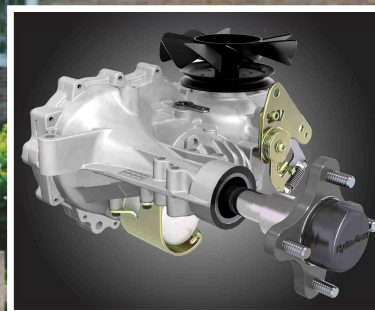

POWERFUL ENGINE

Power defines the Z122R's hardworking engine. Whatever the mowing job, you can count on the V-Twin engine to deliver power when you need it most.

RUGGED TRANSMISSION

The independent Hydrostatic Transmission (HST) delivers outstanding power and operational efficiency to the wheels.

WIDE TREAD

Wide-tread tires provide better traction and weight distribution to help protect your lawn.

DEEP WELDED MOWER DECK

The fabricated mower deck provides outstanding professional-level cutting. If you're a homeowner looking for the best finish, this mower deck is for you.

4.5-INCH DEEP MOWER DECK

The 107cm (42 inch) cutting width, 4.5 inch deep deck allows for efficient grass cutting. This results in a faster and better quality of cut.

SIDE DISCHARGE MOWER

MULCHING MOWER

MULCHING KIT (OPTION)

The mulching kit converts the standard deck into a high-precision mulching deck that produces an even finer mulch and sends it straight back into the turf.
